Dave Johnson
"The Outdoor Insider"

I may have caught the last really warm days of the season when my daughter visited me last week. We enjoyed eighty degree weather, and she even took a dip in Lake Roosevelt. Things are changing fast though, and I may have missed some of my favorite fishing due to the cold weather.

My daughter Whitney and I made our trip to Banks Lake to do some smallmouth bass fishing. This is something she looks forward to every year, and although later than usual, we had surprisingly warm weather. Banks was flat calm when we put the Mark's Marine Thunder Jet Luxor in the water at Northrup, and I drove down to a shoreline that had been very productive last year at this time. I deployed the Minn Kota and started down the shoreline. I was really hoping there would be a good top water bite, but I had no blow ups. Whitney was casting a Tiny Brush Hog and getting all kinds of bites and hooking some small bass. I put on a jerk bait and the fish liked it, and I was able to get some small ones, too. I had Whitney switch to a twin tail grub, and that worked even better. We had arrived at the fishing area at about three in the afternoon and stayed until dusk. It was one of those days when you really wanted to put someone on a bunch of fish, and they just didn't cooperate. Oh well, there's always next year.

Usually, we would go right back the next day, but she had never been to Lake Roosevelt. So, we went to Keller and launched the Mark's Marine Thunder Jet Luxor. The target species was rainbow, and I have had good success below the boat ramp, both from the shore and trolling in the past. We hadn't been trolling on the Minn Kota long with Kokabow blades and spinners and squids when I saw a change in the action on one rod. I popped it off the rigger and handed the rod to Whitney. We soon had a nice 13-inch rainbow in the net. Then things got weird. If a rod wasn't acting right, we would bring it in to find a smallmouth bass on the line. This happened even when we were in very deep water below

the cliffs. So, we ran back up towards the launch and began marking good numbers of fish on the Garmin. I saw Whitney run to the rigger rod, which was already off the clip and after quite a tussle she landed a 17-inch rainbow. She was very proud. This week's photo is of my daughter with the nice rainbow she landed on Lake Roosevelt.

Although I didn't have very good success bass fishing on Banks Lake when my daughter was visiting, I planned another day of fishing there.

My fishing buddies Tom Verschuren and Rollie Schmitten were with me on this trip, and we launched at the Steamboat State Park boat ramp. This is a good alternative to Northrup, now that the fish cleaning station is functioning. Tom and I have had many good days of bass fishing on Banks, and Rollie and I had a blast last year at about this time. We caught lots of smallmouth on plastics and even on top water lures. I pulled the Mark's Marine Thunder Jet into the boulder field above Rosebush and deployed the Minn Kota. I know smallmouth like to hide out among these boulders to ambush bait fish. We tried top water lures first. These won't snag in the rocks, but the only bites we got were on plastics. We then ran pretty much straight across the lake to the far shore. This has always been productive

—except last Thursday. We tried Tiny Brush Hogs, Lizards, jerk baits and top water lures and got small bass but nothing like what I am used to.

I threw a couple of line counter rods, side planers and crank baits in the boat. I was going to start the bass fishing adventure in the boulder field just above Rosebush, and the area below Rosebush is one of my favorite areas to pull crank baits. I have had good success over the years pulling cranks through here. As you can imagine, I have wide selection of Flickers Shads, Rapalas and other makers of crank baits, and I started out with a crawfish Flicker Shad, and a Fire Tiger. I put the plugs out the back at 80 feet and then attached the Side Winder planers and ran them out 30 feet. I kept my speed close to two mph and made my way down the shoreline, flirting with the weed beds that are usually at 12 to 15 feet. We trolled down past the Million Dollar Mile boat launch and we didn't get any hits. I hadn't heard of any good reports on the walleye fishing at Banks lately but thought I would give it a try.

You may recall my mentioning Calder Fiske. He's the young man, 13 years old, that just held his second annual Kids Fishing Derby at the Blackbird Island Juvenile Pond in Leavenworth. Not only is Calder an avid angler, but he also wants other kids to experience the fun of fishing, too. Calder has caught all kinds of fish. His Dad, Dan, has taken him fishing in the Hawaiian Islands to the Snake River to Neah Bay. I have had him out sockeye fishing. Calder was all about catfish for a while, which he caught on the Snake River, and has now shifted his attention to bass. We have finally got a date to take his Dad and he out on the Mark's Marine Thunder Jet Luxor on Banks Lake. We will try some areas of the lake that I haven't fished lately and will hopefully find a bunch of smallmouth to smack our lures. Calder is no slouch when it comes to catching bass. He has shown me photos of some dandies he has caught. I am really glad we have finally got a date that we all can get out on the boat. It's going to be fun!

VINTAGE HYDROS, FINE WINE COMBINE IN CHELAN - MAHOGANY AND MERLOT STARTED IN 2008

CHELAN — Hydroplane racing was a relative moment in time for the central Washington community of Chelan and the lake of the same name.

The wine industry, however, has much deeper roots and history and remains vibrant today.

The two passions, however, have merged into an event and celebration called Mahogany and Merlot which takes over the community, Oct. 2-4, 2026.

Back in 1957 the population of the lakeside community of Chelan was just under 2,500 people when the first edition of the Apple Cup unlimited hydroplane race enveloped the picturesque lake of the same name.

Tens of thousands of race fans traveled the narrow and winding roads that led to Chelan where for four years during what might have been the height of the sport, some of the fastest and most renown race boats tossed up their roostertails.

The first Apple Cup took place on May 5, 1957, organized by Lake Chelan Boat Racers, Inc., and scheduled right after the Washington Apple Blossom Festival down Highway 97 in Wenatchee.

According to historical data from the Hydroplane and Raceboat Museum archives, Bill Stead, won the inaugural event with a dominant performance by the Maverick, followed by Bill Boeing, Jr.'s Miss Wahoo driven by Mira Slovak.

An estimated 80,000 persons watched the race from every vantage point adjacent to the racecourse

Ultimately, four different boats would win Apple Cups, but maybe none more special than in 1958 when Chelan's own Norm Evans drove Miss Bardahl to victory after a dramatic duel in the final heat over Fred Alter in the Miss U.S. 1.

High winds buffeted the lake as Chuck Hickling took Miss Pay 'n Save to victory in 1959 while Miss Thriftway driven by Bill Muncey captured the cup in 1960.

Why the races went away is subject to conjecture but big crowds that taxed the community might have been a double-edged sword.

According to noted hydroplane historian, Bob Senior, "After four years of Unlimited hydroplane racing, the Chelan races were cancelled, amid a combination of increased sponsor's expenses, crowd-control problems," he wrote at thunderboats.ning.com.

Senior added, "Perhaps simply the fact that a major-league sporting event became just too large for small-town America to handle any longer."

The wine business has been a much more sustainable tourism draw for Chelan.

While the internet suggests wine grapes were planted in the region in the early 1890s a commercial industry did not take shape at that time. It took over 100 years when the apple market collapsed in 1998 for wine grapes to be the money crop that now has taken root in Chelan.

Regardless, the idea to combine wine tasting and an exhibition of hydroplanes from days-gone-by has been a big hit for Chelan since its inception in 2008.

Miss Wahoo, Miss Budweiser, Miss Burien, Miss Thriftway, Atlas Van Lines, Notre Dame and others are all restored out of the Hydroplane and Raceboat Museum based in Kent, Wash.

Joining the hydros are Antique and Classic Mahogany Runabouts from the Golden Era of pleasure boating.
