WEEKLY Horoscopes

October 15th - 21st

ARIES – Mar 21/Apr 20

Focus your energy on family and home this week, Aries. Although you might feel more comfortable working alone, you may find yourself doing group work soon enough.

TAURUS – Apr 21/May 21

You have lots of mental energy this week, Taurus. You might be pushed into a leadership role that will help you feel independent.

GEMINI – May 22/Jun 21

Sports and competitive physical activities might appeal to you this week, Gemini. Teams, friends and group activities will be priorities, as will sharing ideas.

CANCER – Jun 22/Jul 22

Cancer, you will be noticed this week and you will be encouraged to speak up and share your point of view. Be humble, but keep the courage of your convictions.

LEO – Jul 23/Aug 23

Leo, this week you can explore new ideas, meet new people and learn new things. Politics and controversial subjects might appeal to you, but probably should be avoided right now.

VIRGO – Aug 24/Sept 22

This is not the week to agree to anything significant, Virgo. Instead, do your homework and gather all of your information before you commit to a major project or expense.

LIBRA – Sept 23/Oct 23

Libra, you might attract someone to you this week who is interesting but a bit feisty. See what they have to say because it might be enlightening in some way.

SCORPIO – Oct 24/Nov 22

You are ready to roll up your sleeves and work, Scorpio. Keep in mind that you might have to delegate some things to others because you tend to take on too much.

SAGITTARIUS – Nov 23/Dec 21

Be patient with spouses, partners and close friends, Sagittarius. Your patience will pay off and others will appreciate your calm demeanor.

CAPRICORN – Dec 22/Jan 20

You might be tempted to make some improvements around home this week, Capricorn. Start with the spaces you use the most and then build from there.

AQUARIUS – Jan 21/Feb 18

You feel energized and ready to take charge, Aquarius. This week you will defend your ideas and explain what you want. Some people will agree with your line of thinking.

PISCES – Feb 19/Mar 20

Restrict your spending to the essentials this week, Pisces; otherwise, you might be tempted to spend money quickly and rashly.

Dave Johnson
"The Outdoor Insider"

The weather is becoming more unsettled as we move further into fall. We still get plenty of sunny days that make getting outdoors or on the water a real pleasure. You just need to keep an eye on the forecasts and plan accordingly.

I was on the west side of the mountains recently, in the Edmonds area specifically, and of course I had to check on the fishing in the salt water here. This was a pleasure, as the weather was spectacular. The mornings were blanketed in fog, which lifted as the day matured, to offer views of the Cascades, Mount Rainier and even the Olympic mountains. While strolling along the shoreline I observed an amazing amount of wildlife, from a feeding blue heron, to frolicking seals, and even watched a coho salmon cruise the shallows and spotted a pair of sea-run cutthroat. What might tempt me to return may surprise you. I learned that the squid that move close enough to the piers and breakwaters around Puget Sound to be caught are beginning to appear. I talked to an angler that had done well catching these tasty calamary and he said that they would be available in good numbers off the fishing pier in Edmonds. I have fished for these creatures before and loved feasting on them fried crispy. The daily limit is ten pounds, and I would love to bring some home for a feast with friends.

If you are an experienced angler, I am sure you like having a two-pole endorsement. This really helps me figure out what the fish want faster. The Washington Department of Fish and Wildlife (WDFW) is now accepting public comments on a proposed fishing rule change for game fish in the Washington portions of the Snake and Columbia rivers. The proposed amendments will allow two-pole fishing for all game fish including walleye, bass, channel catfish, and northern pike-minnow year-round. In July, WDFW received a petition to allow two-pole fishing for game fish in the Snake River. WDFW approved the petition with modifications that included the Columbia River from the Washington/Oregon border upstream to Chief Joseph Dam.

More information about the proposed rule change is available on the WDFW website. The full list of locations is available in the proposed rule. The public comment period for this rule runs through December 7th, 2026. The public may submit comments about the rulemaking online or via email. The WDFW will also host a virtual public hearing via Zoom from 6-8 p.m. on Monday, December 7th, to present information about the proposed rule change and hear feedback and suggestions. Pre-registration is required.

Fall fishing can be great

for a variety of species, and there are several lakes in Grant County that are now open through the end of the month. Park and Blue lakes have been the destination for trout anglers for decades, and both are now inhabited with very good populations of small-mouth bass and perch. As I recall these lakes would be "rehabbed" every seven years. These were to be dedicated to trout fishing. However, there have been concerns from the public about this practice, so along with the lakes being open through the end of October, there is no effort to remove the spiny ray species from them. There are a couple lakes near Park and Blue that remained dedicated to trout with special regulations designed to assure catches of larger trout than found in most other lakes. Dry Falls Lake is a popular fly fishing water and is open through the end of November. There are rainbow, tiger trout and brown trout in Dry Lake. Just down the road from Park and Blue is Lake Lenore, a selective rule fishery, that offers Lahontan cutthroat and it

is also open through November. This week's photo is of Park and Blue lakes taken from Highway 17 on the way to Banks Lake.

It's not too late to catch a trout and win a prize in the Washington State Department of Fish and Wildlife Trout Derby. There are more than 100 stocked lakes statewide. Over 60 generous businesses have donated over 900 prizes valued at more than \$43,000! This 11th annual derby is open to anyone with a valid 2026 fishing license (children under 16 fish for free), and no entry fee or registration is required. To win a prize, just catch a green-tagged rainbow trout at a participating lake through October 31st. You can go to the WDFW's website and search Trout Derby at the top right hand side of the Home Page. Here you will find a list of the lakes that have tagged trout in them and also learn what the prizes are for catching one. This derby has been extremely popular with the state's trout anglers, and as high as 60 percent of the prizes have been claimed. So, don't put that rod and reel and tackle box away. Get out to one of the tagged trout lakes and see if you can win a prize!

I want to thank all of you that have subscribed to the FishingMagician.com Facebook page. It may not seem like much, but it really helps keep me on the road and afloat to do the reports that I do. You will soon be seeing information about fishing opportunities in north Idaho, in addition to the areas that I have been covering for years. All of this costs. The time and travel, fuel and licenses, etc. I also wanted to let you know that I have recently produced a series of videos that include reviews of some of my favorite products. These will be available to subscribers to the FishingMagician.com Facebook page. Things that I personally use when I am fishing for the different species available to us in this region. There are some tips and tricks that I share with subscribers as well. If you like what I do and want to learn more about what I use to catch fish and the products that I personally prefer, just click on the Subscriber button on my page. Thanks in advance!

WINTER KARTING LEAGUE AT FASTKART IN SPOKANE

SPOKANE — Spokane Indoor Karters will present a Winter League racing series at Fastkart Indoor Speedway in Spokane.

The five-event series has already started with its opening race Oct. 13 and has remaining dates, all on Tuesdays, Nov. 17, Dec. 15, Jan. 19 and the season finale Feb. 16. The November and January races will run the Fastkart Track in a "backwards configuration" or counterclockwise.

"Backwards configuration brings a fresh perspective on Fastkart that most normal don't get an opportunity to run," explained racer and one of the event organizers, Andrew Zimmer.

Drivers can test their abilities with braking, smoothness, and consistency, Zimmer added. "Backwards configuration is a lot more technical from a driver's perspective."

The final race will feature 1.5X points and a 60-lap main event, so the championship battle can come down to the very last lap.

Additionally, drivers never know which kart they will race, Zimmer explained. "It's a random draw from a hat," Zimmer said. "No one is allowed the same kart twice forcing everyone to adapt and push with whatever they got."

There are two race classes, Light for drivers under 210 pounds and Heavy for 210-plus. Zimmer is the defending Light class champion and Jacob Garrett won the 2025 heavy title.

Whether you're brand new to league racing or you've been racing with us for years, everyone is welcome. Race entry is \$85 with \$10 going to the prize pool.

Registration takes place 5:30 p.m. on race night with drivers meeting at 6:20 and qualifying at 6:30.

A series of practice dates take place on Wednesdays, Nov. 11 (backwards), Dec. 9, Jan. 13 (backwards) and Feb. 10.

Practice is completely optional, but highly recommended. These sessions are a great opportunity to work on pace, consistency, racecraft, and starts before race night.

The backwards configuration practices are especially valuable, as there are only a handful of opportunities throughout the season to get comfortable running the track in reverse.
